MEMORANDUM FOR THE RECORD

Morning Meeting of 30 August 1968

25X

Godfrey advised that [redacted]

[redacted] a military take-over of Guatemala is being checked.

25X

Godfrey reported that Premier Cernik, in addressing a group of government and party officials, advised them to tell their liberal friends to leave the country while they could.

Godfrey noted that the New York Times continues to carry the figure of 650,000 Warsaw Pact troops in Czechoslovakia and that we are in the process of conducting our own rack-up of Warsaw Pact forces.

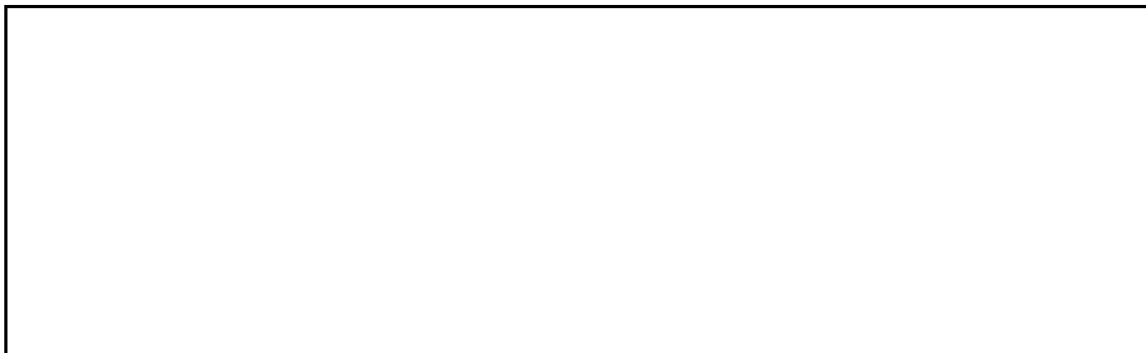

25X

Bross reported that General Maxwell Taylor has requested another briefing on the status of Soviet submarine development. D/ONE noted that this matter has been written up for NIE 11-8-68 which is due for USIB consideration in September. The Director suggested to Bross that he determine whether General Taylor would be prepared to await the outcome of NIE 11-8 before being briefed.
